

# Farewell

Forever  
Friend

# The Early Years

This old guy comes up to the awards table at a Swim Meet

With an Irish accent he says...

*“I think there’s been a mistake - this first place ribbon can’t be mine.”*

A Friendship is Born

but more like

FatherBrotherFriend

Yes, that's one word

# “Tom Sessions”

Tom’s tutorials - We can ALL relate

- Kayaking 101
- Pruning roses
- Antique dickering
- Transplanting vegetation
- Eating out - coupons anyone?
- Politics - I dare you to be Republican

# Turns out “Tom Sessions” are LIFE Lessons

- Planning is good
- Nurture this sacred planet
- Some things in life really are free
- If you never bother to ask,  
the answer will always be NO
- Do what makes you happy
- Beliefs aside, just be sure to love

# We are all changed

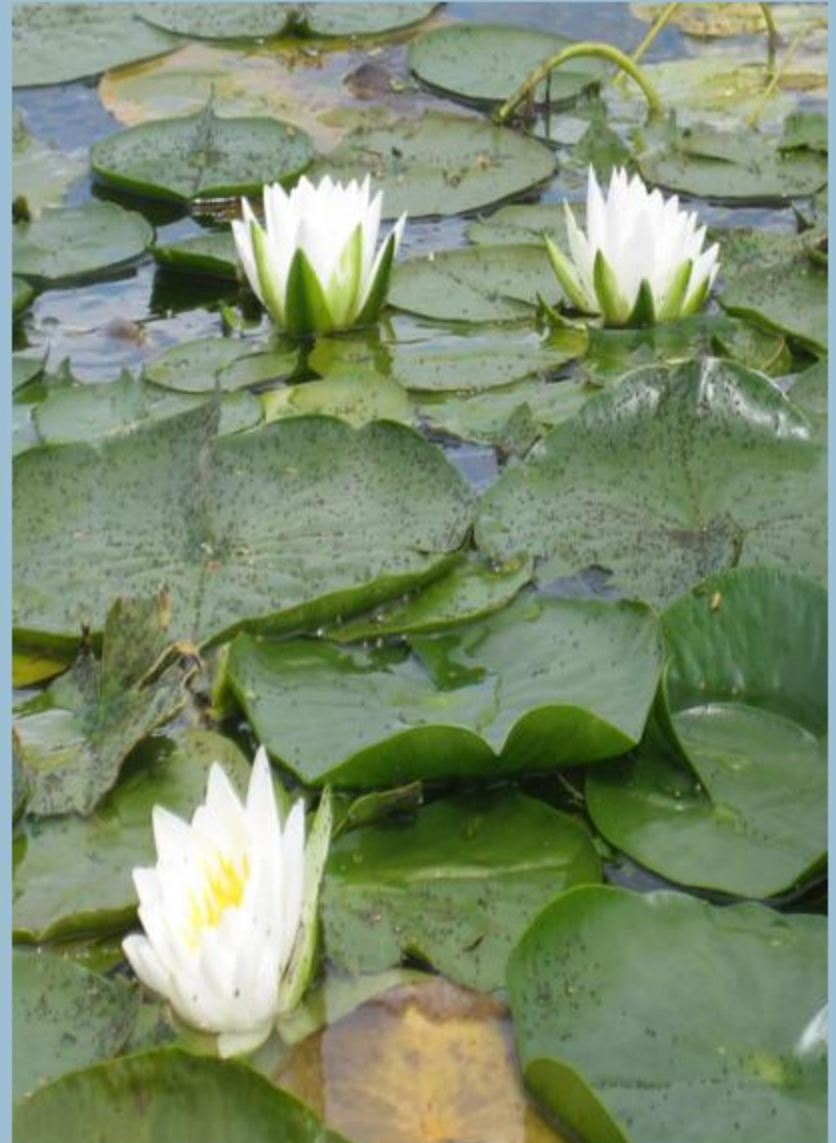

Because of you, we've all

- Laughed harder
- Smiled wider
- Thought deeper
- Felt happier

and **LIFE**

Will not be  
the same  
without you

# Thank You

We know  
you're watching  
from above

Until we meet again  
be with us always
