ATTENTION PNA SWIMMERS !

Due to several changes instituted recently, I feel it is time to re-cap what the facts and policies are concerning your PNA Masters Swimmers Association membership. First off, if you were a member of PNA Masters on or before January 1, 1975, your term of membership has been extended from June 1, 1975, to September 30, 1975. If you have joined and paid \$5.00 since January 1, 1975, you are entitled to a refund. This is due to a recent board decision to begin the membership year on October 1st and to prorate the membership fee out on a quarterly basis as follows: Oct. 1 to Dec 31=\$5.00; Jan 1 to March 31=\$3.75; April 1 to June 30=\$2.50; and July 1 to Sept 30=\$1.25. If you are entitled to a refund, please contact me as soon as possible so that we can balance our accounts. A PNA Masters Swimmers Association membership is not required in order to swim in the swim meets (an AAU membership is required). However, a PNA Masters membership does entitle you to reduced entry fees at the meet as well as putting your name on the mailing list for this newsletter and any other mailings from the Association.

Several people have inquired concerning their AAU memberships. Due to AAU's recent change in fees and application forms, the new membership cards are taking longer to process this year than has been experienced in the past. It is expected that the AAU will be sending out the new AAU cards in the next few weeks. The PNA Masters Swimmers Association has been chartered with AAU as a team which entitles us to a rebate on each AAU membership sent in from our team (association) so we request that everyone who has not already done so send your completed form to the membership chairperson so that we will get credit for it. If you have any questions, comments, suggestions, etc. concerning memberships, please contact me either at the meets or at my home.
