

An effort will be made to form car pools or charter a bus for the Portland and Spokand meets.

IV. At the July meeting the schedule of meets for the 75-76 season will be worked on. Any team interested in sponsoring a meet is urged to contact Steve. He needs to present the finalized schedule at the regional meeting in August.

VI. The board initiated a special award to Bill Rule for his outstanding contribution and inspiration to masters swimming.

VII. Bob Jacobs' letter was read and his suggestion of having a long distance run and swim was discussed at length. The subject was tabled pending research on its plausibility. A final decision will be made next month

VIII. Steve reported on the PNA championship and banquet. Eighty-five competitors participated in a very well run and efficient meet, thanks to Val Boen. Congratulations to Janie Estep for the successful banquet and a large thank you to Janet Russell for compiling the 74-75 records and delivering our 2nd PNA Handbook.

The meeting was adjourned at 9pm. The next board meeting will be July 16 at Steve Engle's home.

Respectfully Submitted, Sue Dills
