STARTS

FALSE STARTS: If the starting signal sounds before the false start has been declared, the race will continue and the swimmer or swimmers who false started will be disqualified at the completion of the race.

WHISTLE STARTS: A series of whistles notify swimmers in the upcoming head to make final preparations for the start. Including removing sweats, etc. Next, the referee will blow a long whistle. This signifies to swimmers that it is time to get into position. For forward starts, stand on the block with at least one foot at the front of the block. For backstroke starts there will be two long whistles. The first long whistle signals swimmers to enter the water. The second long whistle signals the swimmer to return to the starting position. For both forward starts and backstroke starts, the referee will stretch his/her arm out to signify to the starter that everyone is in position. The starter may then give optional instructions, such as the event, stroke and distance, and will then give the command 'take your mark'.

SEEDING: Seeding for all events will be slow-to-fast. Women and men will swim in combined heats. All individual events 400 yards or less will be pre-seeded. All individual events greater than 400 yards and all relays require check-in and will be deck seeded.

RELAYS: To avoid touching the touchpads please move towards the flags if you are staying in the water after your relay leg.

Swimming Saves Lives Foundations purpose is to advocate and raise awareness, and to serve as a resource for programs providing adult learn-to-swim lessons. We solicit charitable contributions and provide grants to SSLF program providers.

Our hope is that once an adult learns to swim or improves their swimming skills, they will have the confidence and desire to continue swimming in a Masters Swimming program and experience the lifelong benefits of swimming.
